DOES THE ASSOCIATION HAVE A WEBSITE?

☒ No

If so, URL:

IS THE NEIGHBORHOOD ACTIVE ON *NEXTDOOR.COM*

☒ No

DOES THE ASSOCIATION HAVE REGULAR MEETINGS?

☒ YES

If yes, when/where are your meetings? Challenger West has met at least once a year for more than two decades for our annual, end of summer Block Party. A minimum of sixty adults and kids turn out for games, movies, a jumpy house, a visit from the fire department, shaved ice, and a pot luck dinner. Usually starts at 4:00 pm and goes until 11:30 or 12 am.

Additionally, there have been holiday get togethers, CERT training, ice cream socials and a couple of presentations, at our request, by Sunnyvale DPW, when the sewers backed up during a torrential rain storm and flooded our streets.

Challenger West is a welcoming and friendly neighborhood and will continue to be so because of our ongoing activities.

DOES THE ASSOCIATION HAVE A NEWSLETTER?

☒ No

ASSOCIATION GOALS AND OBJECTIVES:

- Continue building a close-knit community of multi-generational families through our long-time events, such as block parties, ice cream socials and holiday celebrations.
- Collaborate to address concerns with the city as they arise regarding climate impacts (sewer flooding, fire prevention), new real estate developments (new Mormon Temple, Fremont Avenue developments).
- Prepare together for unforeseen emergencies to aid homeowners; participate in CERT activities, etc.
- Create a digital communications channel (most probably a google group) which members can join to communicate more broadly with each other.
